Poppy Day

Once again the time is here when the Canadian Legion makes its one and only annual appeal to the general public for funds. This is the Poppy Fund Campaign.

The poppies and wreaths sold on Vancouver Island provide employment to veterans of the last war who through disabilities are unable to compete in the labor market for employment.

The money raised by the sale of the same is devoted to giving a helping hand in times of distress and emergency to returned veterans, their wives and families.

Not one cent of the money raised goes into the general funds but is kept in a separate bank account to be entirely devoted to that purpose.

The North Saanich Branch of the Legion will conduct their campaign on the Saanich Peninsula during the week commencing Monday, November 3rd.

While it is realized that many calls are being made on the public for the maintenance of the present war effort we feel confident that there will be the usual generous response that we have always met with.

When the collector calls please do the very best you can and it will be much appreciated and you can be sure that your contribution will be well and carefully spent.

Wreaths can be ordered through either of the following at prices ranging from one dollar upwards:

W. Douglas, "Eglington," Saanichton,
'phone Keating 5-W;

F. E. Collin, 1462 Third Street, Sidney,
'phone Sidney 125-X.

Remembrance Day Service

Members of the North Saanich Branch, Canadian Legion, B.E.S.L., will hold their annual Remembrance Day service on Tuesday, November 11th, at 11 a.m., at The Cairn, North Saanich War Memorial Park, Beacon Avenue, Sidney.

Further particular and program of service will be published next week. It is hoped that there will be the usual large attendance to pay a tribute to those who made the supreme sacrifice during the years 1914 to 1918.

GANGES, Oct. 29.—The annual meeting of the St. George's Altar Guild was held, recently, at the home of Mrs. R. O'Callaghan, Ganges, the president, Mrs. O'Callaghan, in the chair.

All routine business was dealt with. The financial statement showed that \$164 had been taken in during the year and, that the sum of \$58.52, was still on hand. Mrs. S. Donkersley was voted to the chair and the following was the result of the election of officers for the ensuing year:

ANNUAL GOLF CLUB MEETING AT GALIANO

GALIANO ISLAND, Oct. 29.—Galiano Golf Club held its annual meeting in the hall on Thursday, Oct. 23rd, with the president, W. H. Harris, in the chair.

Following the reading of the minutes of the previous meeting by the secretary, Mrs. G. W. Georgeson, the election of officers for the coming club year took place.

W. H. Harris was re-elected president and Capt. A. J. Fisher was elected captain with Alfred Cayzer as vice-captain. Jimmie Hume was nominated secretary. Mrs. Chris. Perry and Victor Zala were elected to the greens committee.

Feeling the need for a social secretary, the meeting elected Mrs. A. J. Fisher to that office, leaving the social end of the club's activities in her hands.

The meeting closed with a vote of thanks to the retiring secretary, Mrs. G. W. Georgeson, and the past captain, Jimmie Hume, for their excellent work during the past year.

KNITTING CLUB MEETS IN LOG CABIN, GANGES

GANGES, Oct. 29.—A meeting of the Ganges Knitting Club was held recently in the Log Cabin, with Mrs. H. A. Robinson presiding and a good attendance.

A discussion regarding the shipping of Christmas gifts to local boys serving with the Canadian Scottish overseas, resulted in a decision to send each soldier a parcel containing socks, cigarettes, chocolate bars, gum, etc., with cards of good wishes enclosed.

In the matter of members continuing to meet at monthly intervals, it was unanimously decided, now that the boys are no longer at Debert, to hold meetings in future, only once a quarter; the next, which will be the annual, to take place in the Log Cabin on Jan. 20, 1942, when the new officers for the year will be elected.

Thanks were expressed for the sum of \$8.50 and the box of two dozen chocolate bars, which have been kindly donated to the little society.

Ten hostesses were Mrs. Helo and Mrs. J. Byron.

CELEBRATED GOLDEN WEDDING

ROYAL OAK, Oct. 29. — A happy gathering of relatives and friends was welcomed on Wednesday evening at the home of Mr. and Mrs. J. A. Grant, "Bonnie Doon," West Saanich Road, who were celebrating their golden wedding.

On Oct. 22, 1891, Mr. Grant and Miss Isabel M. Manson, daughter of the late Mr. and Mrs. John B. Manson, were married by Rev. A. D. Macrae, of St. Paul's Presbyterian church. Mr. Grant arrived in Victoria from Banffshire, Scotland, in 1886, and Mrs. Grant was born at Fort Fraser, while her father was factor of the Hudson's Bay Company at that post.

The young couple made their home in Victoria until 1907, when they moved to Saanich and cleared the site where their home now stands. Mr. and Mrs. Grant have always been keenly interested in horticulture and have beautiful gardens surrounding their home. Mr. Grant was British Columbia Markets commissioner for over 20 years and before that time took an active part in municipal affairs in Saanich.

Mr. and Mrs. Grant were assisted in receiving by their daughters, Mrs. E. Sather (Violet), Seattle, and Mrs. W. J. Jones (Mona), Victoria.

A shower of cards, telegrams and gifts, among which was an inscribed guest book and a gold satin elderdown, were received by the guests.

During the evening colored motion pictures of scenes in the interior of British Columbia and on Vancouver Island were shown by Dr. W. W. Bryce.

Refreshments were served by three granddaughters of Mr. and Mrs. Grant, Mrs. W. Cole, Mrs. H. Robinson and Miss Beatrice Jones, assisted by Miss Pearl Kinnaird.

Among the guests present were Mr. Grant's brother, Major Robert Grant and Mrs. Grant, Seaside, Ore.; Mrs. E. Sather, Seattle; Mr. and Mrs. W. Cole, Vancouver; Mr. and Mrs. James A. Grant and baby, Shawnigan Lake.

Mr. and Mrs. D. Bennett and their elder son, Arthur Bennett, left for Vancouver for a week's visit.

Mr. E. West left for Vancouver on Saturday to spend a few days with his brother Tom in New Westminster before leaving for Moose Jaw.

Mr. and Mrs. C. E. Baker, of Salt Spring Island.

Educated first at Forbury House, Ganges, and later at the Salt Spring High School, Sgt. Pilot Baker left the island last February for Calgary, where he started his training to qualify as a pilot in the R.C.A.F.

ARTISTIC SETTING AT BALL

Artistically decorated and autumn tints of brown and gold the Agricultural Hall, Saanichton, was the scene of the 21st annual ball of Mount Newton Lodge, No. 89, A.F. & A.M., on Friday evening last. Fall shades in flowers and streamers predominated throughout.

The stage was outstanding in its rustic scenery, resembling a garden with green lawn, fences and flowers, making an excellent setting for Len Acres' Orchestra, who as usual proved very popular and were greeted with enthusiasm.

Officers and members of Mount Newton Lodge made excellent hosts and received some 250 guests during the evening.

A regular plate supper was served in the dining room by members of Ruth Chapter, O.E.S., Hallowe'en decorations being carried out in the dining hall.

The committee in charge of the ball report same a success both socially and financially.

This new store will give considerable more room for storage and for display purposes and will prove more convenient to the owners.

JAMES ISLAND GIRL GIVEN FAREWELL

JAMES ISLAND, Oct. 29. — A farewell party was held in the Moore Club Hall on Wednesday evening, Oct. 22nd, in honor of Miss Thelma Thompson, who is leaving to make her home in Winnipeg.

The hostesses were Mrs. N. McNaughton, Mrs. J. Maule, Misses Isobel and Mary Goldie and May Thompson.

The evening was spent in playing games and contests, after which a buffet supper was served to about 60 guests from a table centred with a bouquet of yellow chrysanthemums.

Miss Thompson was then presented with an old fashioned portmanteau, which when opened contained numerous articles to be removed, causing a great deal of merriment, before exposing a lovely fitted overnight case.

The evening was brought to a close by the singing of Auld Lang Syne.

CHURCHES IN DISTRICT BUILT LONG TIME AGO

Sunday, Nov. 2, will be marked by special services at South Saanich and St. Paul's United Churches, Sidney. It is 49 years since the church was built at Shady Creek, South Saanich, and 50 years since the old North Saanich Methodist Church was erected on the East Road. This building has been taken down and services since the Union of 1920 have been held in the former Presbyterian now St. Paul's United Church on Fifth Street and Queen's Avenue. So it is a coming-of-age celebration, being 21 years since the local union which preceded the general union of 1925.

The preacher for the morning service at South Saanich will be the Rev. Dr. R. Bruce Taylor, former principal of Queen's University, Kingston. The preacher for Sunday evening at Sidney will be Rev. Dr. W. G. Wilson, formerly of First United Church, Victoria.

On Monday, Nov. 3, there will be a congregational supper in Wesley Hall, featured by a program and an illustrated address by Rev. Hugh A. McLeod of First United Church on "Down North on the Mackenzie," being a description of Mr. McLeod's journey to the sub-Arctic last year.

The public is cordially invited to these gatherings.

Annual Report Shows There Are 12,520 Blind In Canada And Newfoundland

"In Canada last year there were more blind people gainfully employed than in any previous year of the nation's history. There were more blind men and women in business. There was a greater quantity of 'Blindcraft' goods produced. There were more blind people employed in handicrafts in their own homes. There were more blind home teachers employed in the instruction of blind adults. There were more pupils in this extensive, informal, essential school. There were more blind field service workers, spreading to a wider area the services which your Institute is able to render to blind men and women to whom some of the privileges enjoyed by the urban blind are necessarily denied. There were more blind people enjoying the facilities accorded by our libraries of Braille and Talking Books. There was, during the year just passed, a higher standard of living amongst the blind citizens of Canada than ever before attained.

"I think if I stopped right there, this could be considered a satisfactory report. It means that your Institute was on the job; that it has been earnestly working for the objects for which it was created; that it is alive, progressive, faithful to its trust. It means, that because of the energy we have been able to bring to bear on the solution of the problems of the blind, our Canadian blind people as a whole have been given a little greater security; have achieved a little more comfortable position in the social structure. From my knowledge of the day to day developments during the past twelve months and from a perusal of the reports submitted by the various divisions and departments, I find myself able to say, without qualification that it has been the most successful year in the history of the Institute."

INDIA FILMS ENJOYED AT FULFORD

FULFORD, Oct. 29.—The pictures showing Life in India and other films by Major Wilson on Monday evening, Oct. 20, in the Fulford Community Hall, were very interesting and educational, and much enjoyed by those who were able to attend. About 75 people were present; the pictures were clear and gave a very vivid insight into life in that part of the world.

The proceeds taken at the door will go to the Spitfire Fund. At the close of the evening Mrs. A. J. Hepburn, president of the hall committee, proposed a hearty vote of thanks to Major Wilson.

To be registered as blind, an individual need not necessarily be entirely without sight. If a doctor's examination discloses that a person has approximately less than 10 percent normal vision after corrective appliances have been provided, he is considered eligible for registration.

Last year there were 763 blind men and women earning their living through work provided for them by The Canadian National Institute for the Blind. The men are employed in broom, brush and basket factories; in news-stands, tobacco stands and cafeterias. Women are employed in apron and dress factories, in offices and as operators of tobacco and candy stands. The number given indicates only those who are permanently and regularly employed. There are thousands who are able to earn something while working at home on baskets, mat-making, knitting, and other handicrafts. The figures are taken from the annual report of The Canadian National Institute for the Blind for the year ending on March 31, 1941.

When the blind employees of the newly-formed Canadian National Institute for the Blind started to make brooms 23 years ago, the yearly output amounted to 7,300 dozen brooms. Last year the Ontario factory alone turned out 24,481 dozen brooms. One of the interesting features of the recently published annual report of The Institute is a chart showing the growth of the broom business since manufacture was first started. The three Canadian factories in Toronto, Winnipeg and Vancouver make approximately half a million brooms each year.

When people lose their sight in adult life, and they want to learn Braille and typing and how to become adept at some form of handicraft, there is no school open to them. There is, however, a group of blind teachers who go to their homes to give them instruction in the various means of overcoming the handicap of blindness. These teachers are trained by and are employed by The Canadian National Institute for the Blind. In Canada last year, according to the annual report of the C.N.I.B., there were 22 members of the home-teaching staff.

"I'VE TAKEN THE WORRY AND WORK OUT OF COOKING"

You may too, with an **Enterprise Range**

THERE'S nothing like a new Enterprise Range to give you a real housekeeping thrill. It lessens your working time and cooks like a charm. Think how wonderful it would be to have a brand new streamlined Enterprise Range sitting right in your kitchen.

A new Enterprise "Kitchen-tested" stove means new pleasure, more leisure and far better meals.

When you buy an Enterprise you have a range that has been "Kitchen-tested" by the Enterprise jury of outstanding home-makers. These six women have selected Enterprise as their choice for the Canadian Home—they judge it superior in cooking results—operation—appearance and economy.

A new stove lowers fuel bills
Whatever you burn—gas—electricity—oil or coal and wood, there is a model and size to suit your kitchen—styled by Enterprise engineers and constructed by master stove-makers to give years of service in the Canadian home. Your local dealer will explain how easy it is to put an Enterprise range into your kitchen.

JURY TESTED—

"As one of the jury of six Canadian women, I can readily say that an Enterprise Range was our unanimous choice," says Mrs. W. S. Carson, Moncton, N.B.

The CORONET will bring sparkling beauty to your kitchen. It is styled for its ease of operation and the efficiency of its cooking. The several styles and full enamel color finishes will give you just the range you want.

The BELFORT is a modern All Gas Range of balanced type. Every modern device is in it to make cooking easy and keep expenses down. An abundant supply of hot water is always assured in large copper reservoir.

ENTERPRISE ELECTRIC RANGE, with the most modern styling, large oven, warming drawer, enamel finish, includes heat control, 4 heat switches, lamp, minute-timer and condiment set.

THE CAPITAL is Canada's favourite in its price class. This is an outstanding value in a medium size range. Roomy oven 18" x 20" x 12" with spring balanced oven door fitted with aeroplane dial type indicator.

Now is the time to economize with Enterprise

Our Town is at War

Men are drilling in our town . . . our own men . . . men we call by their first names. Some of them quit good jobs to join the army . . . some quit school. When the Empire went to war and Canada went to war . . . this town went to war. Every now and then a few more men from this town leave for active service. We're taking the war more seriously. Are we? Are we all? Are those of us who haven't joined up doing all we can? Are we lending all

we can? That's one thing we can all do . . . one thing we must all do. We must all buy more War Savings Certificates.

The help of every Canadian is needed for Victory. In these days of war the thoughtless, selfish spender is a traitor to our war effort. A reduction in personal spending is now a vital necessity to relieve the pressure for goods, to enable more and more labour and materials to be diverted to winning the war. The all-out effort, which Canada must make, demands this self-denial of each of us.

Applications For Licences Pouring Into Ottawa

OTTAWA, Oct. 29.—Applications for licence under the nation-wide plan to licence all manufacturers and dealers in food, feeds, livestock, poultry, yarn, cloth, clothing, and footwear have already started to pour into the Licensing Records Division of the Dominion Bureau of Statistics at Ottawa, according to a statement issued today by the Wartime Prices and Trade Board.

More than 300,000 licence application forms are being distributed to persons and firms affected by the licensing order through the co-operation of the 13,000 Canadian post offices and their mail carriers, municipal and rural. There is no licence fee.

Although these application forms only went into the mail on the weekend, several hundred were back into the board's licensing division Monday afternoon.

"It would appear that businessmen generally are complying with the board's request to get licences promptly," commented Director of Licensing C. R. Morphy. "While the deadline for securing a licence is December 1, it would be wise for licensees to apply as quickly as possible as no unlicensed person who is named in the order, can buy for resale, handle or sell any of the listed goods after that date.

"Anyone who doesn't receive a licence application form through the mail, and who is subject to the order, should ask for an application at his nearest post office," Mr. Morphy concluded.

C.N.R. Rail Employees In War Savings Drive

MONTREAL, Oct. 29.—All employees of the two big Canadian railway systems are now being invited to exceed the excellent record made by them during the previous campaign for the purchase of War Saving Certificates. Mr. R. C. Vaughan, president of the Canadian National Railways has issued an appeal to the individual members of the transportation organization over which he presides.

The company is taking a direct personal interest in the drive and is arranging for its employees to purchase War Saving Certificates by payroll deductions, a method highly successful in the spring campaign when great numbers of railwaymen took advantage of this permanent plan of continuing instalment payments, a plan which is building up their savings while aiding Canada's war effort.

In his message, Mr. Vaughan writes: "Idle dollars are a liability at this time. They should be set to work and one excellent way of doing so is to use your dollars for the purchase of War Savings Certificates.

"Your dollars when joined with those of your tens of thousands of fellow workers possess great power. No matter how small your own subscription may be it helps to swell the main stream needed to increase Canada's contribution in the defence of the world's liberties. By the purchase of War Savings Certificates every individual can take a direct and important share in the battle."

lowing from the Bible: "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. And let us not be weary in well doing: for in due season we shall reap, if we faint not." (Gal. 6: 7, 9).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "They, who know not purity and affection by experience, can never find bliss in the blessed company of Truth and Love simply through translation into another sphere. Divine Science reveals the necessity of sufficient suffering, either before or after death, to quench the love of sin."

INTERESTING PICTURES AID SPITFIRE FUND

GANGES, Oct. 29.—Under the auspices of the Ganges Women's Institute and Students' Council of the Consolidated school, a most instructive series of moving pictures were shown recently at Ganges by Major C. C. Wilson, who was instrumental in filling the Mahon Hall to capacity with an enthusiastic audience of both school children and adults, who witnessed, with great interest, scenes of capturing and training wild elephants for work in the teakwood forests of India, where also rosewood and sandalwood are obtained. Wild life films included pictures of deer, black buck, lion, tigers, cheetahs and snakes and concluded with a fight to the death between a mongoose and its victim, a hooded cobra.

Some of the beauty of India was also revealed in the views of the marvellous scenery of the mountains and plains of that country.

After expressing the greatest admiration for the pictures and thanks to Major Wilson for showing them, Mr. Gavin Mount, on behalf of the Students' Council and the Institute, next paid a tribute to the organization of the school principal, Miss R. Oulton, the teaching staff and students, whose efforts had resulted in over \$60 being realized for the "Ranger Wilson Spitfire Fund."

Major Wilson replying to Mr. Mount's speech, expressed his appreciation and stated that the amount raised was the largest taken in any part of B. C. where the pictures, taken by himself during his long residence in India, had been shown.

The evening closed with the singing of the national anthem.

The matter of the purchase of the North Saanich Service Club was discussed and arrangements made as to payment for same.

Resolutions as to employment of civil servants of military age were adopted.

The sum of \$10 was voted by the branch to assist the Women's Auxiliary funds for dispatch of parcels to local men serving overseas.

How would you
like
\$5 for \$4?

Four dollar bills add up to five dollars... when you buy War Savings Certificates.

And it isn't just ordinary saving, either. Your money buys war weapons of some kind. It helps to stop the enemy. It helps to shorten the war. And after the war, you'll get back five dollars for every four dollars you invest.

So your dollars will be doing two things. They'll help to win the war and they'll help to provide a nest-egg for yourself.
